Our school participates in the National School Lunch Program. Through this program families are given the opportunity to apply free and reduced lunches. We would like to encourage you to fill out an application. All information is confidential. Also, because we participate in the National School Lunch Program, pop is not allowed in the lunchroom between 11AM & 1PM. When packing sack lunches, please have your child purchase a milk for \$.50 or bring another beverage, other than pop from home. Thank you!
